DEPUTY

Dear Clerks Office, I recently sent your office a letter concerning the "flat time" that I've served here in the "Rolling Plains Correctional Facility". It seems that I did not receive the credit of time here between "7/3/19", - "8/22/19". I arrived here on 7/3/19, I've been here over 6-months. My wife looked online at the "BOP" website at my "release date" and it showed, "8/22/20" which is wrong, it should be "7/3/20". What has happened here is whenever I come here on 7/3/19 they misspelled my first name like this, "Darvin". When in fact the correct spelling is, "Davrin". It took the staff awhile to fix the "problem" like 80 days, or so. Because of them correcting my name, it has split my time here in half because of 2 different "first names". It is very hard to get things like this corrected here for some reason? I have a very short prison sentence "if" when this is all corrected, the "Case-manager" whenever I'm going will have to put a "rush" on my halfway house packet, the reason is because it usually takes 2-3 months to get a release date after the paperwork is sent off to "region". So it is very "simple", I have 80-days credit for being here on top of the 3-months "charge" that I'm given now that needs to be "credited" towards me and the "error", & the "correction" needs to be sent to the BOP ASAP because of a short sentence. These people here need to find where the name misspelling was "corrected", & give me the 80-days that was credited to the "misspelled name". I understand that sometimes mistakes are made, & I know this, but it's not like it's just, 3-4 days, it's 80! I'm enclosing an attached piece of paper with this letter that has everything that needs to be seen, & corrected. Please help me with this, it is sometimes very hard to get fixed when I enter the system. I should be leaving here going into the BOP here anytime, so your office might not want to send a response.

letter to me at this address cause it'll probably be gone. But  
please just make sure the correct info finds its way to  
the BOP? I know that your office is very, very good at  
helping correct issues like this. And I want you to know that I'm  
truly, truly grateful for your offices help in correcting this.  
Thank you for your time, + effort.

Respectfully,

Problem: My first name was "misspelled" when I first arrived here on 7/3/19. Sometime around the 9/22/19 my first name was corrected but because of it somehow my time here "started" on that date. Because of it my BOP release date is, "9/20/20", it should be "7/20/20", so I'm not getting the extra 80-days that I had here before my name was corrected! Here below are all the numbers + info, please send the credit for the "80-days" extra to the BOP with the "explanation". Thank you.

Respectfully,

Place: Rolling Plains Correctional Facility

7/3/19 Arrived here, 'in custody'.

Rolling Plains Correction Facility  
Haskell, TX

80  
days

Darvin Tate Stroud ← Wrong spelling 'first name'

9/22/19 First name was corrected in Computer

Darvin Tate Stroud → Correct

I'm only getting credit for my time since "9/22/19,"

There is "80-days" from my "true" arrival date that I didn't get.

Please send the info to the BOP so that I can get my extra time?

Thank you!
